

CHANGES FOR CMPS GUIDELINES AND TEAM AND INDIVIDUAL SCORE SHEETS

As suggested by the Ad Hoc CmPS committee at the 2007
Governing Council meeting:

- Individual projects are changing to a 6 page addendum and will create a scrapbook for on-site scoring.
- Team and Individual guidelines and score sheets have been modified so that they will be the same.
- The new score sheets will be piloted for 2007-08 and are included with this mailing along with the revised guidelines and requirement outlines for both team and individual.
